

Water Sanitation and Hygiene for humanitarian and developing contexts (CAS-WASH)

Certificate of Advanced Studies

This course is designed to empower practitioners with an understanding of the fundamentals of the WASH sector, both in the humanitarian and development context. It introduces students to the core principles for planning, designing and implementing activities to improve sustainable and equitable access to domestic water supply and sanitation services and to improve hygiene behaviours.

Programme

- ◆ Kick-off meeting
Mid-March 2022 (online)
- ◆ Module 1: Sustainable water supply
March - April 2022 (online)
